

September 2024

Lebanon County Career and Technology Center

833 Metro Drive, Lebanon, PA 17042 • • • Tel: (717) 273-8551 • • • www.lcctc.edu

Please welcome new staff members. . .

► Adam Hartman, Computer Technician and PIMS Reporter

I am from Lebanon, PA and I graduated from Cedar Crest High School in 2018. I went to Bloomsburg University of Pennsylvania and graduated with a bachelor's degree in Digital Forensics and Cyber Security, with a minor in Criminal Justice in 2022. Out of college, I worked for a small cabling company called MTB Communications, which installed CAT 5 cable. After this, I got a position for the Penn State Health IT Service Desk, which was the IT Call Center for issues with computers, software, and medical machines/equipment. I worked at Penn State Health for two years.

I enjoy golfing, watching sports, and spending time with family. My favorite sports teams are Philadelphia Eagles, and the San Jose Sharks.

► Timothy Mehl, Special Populations Coordinator

Tim Mehl is entering his 15th year in education and brings 14 years of experience as a special education teacher to the LCCTC. Tim served as an emotional support teacher for all of those years; thirteen of which were spent in Lebanon County at Lebanon School District and Palmyra Area School District. Tim has been recognized with the Laoretta Woodson Award and was also named as the Lebanon County Teacher of the Year.

Mr. Mehl is a graduate of Lebanon Valley College and completed his master's in educational leadership from Wilkes University. Tim coaches soccer at LVC and for a local Lancaster club, PA Classics. He calls Lititz home and lives with his wife, Leah, son, Owen (7), and daughter, Hattie (4). Tim is excited for his new venture at LCCTC and is looking forward to a great school year!

► Keith Noll, CTC Police Officer

My name is Keith Noll and I am proud to be the new school police officer here at the LCCTC. I am a graduate of ELCO High School and Penn State University. I am a Veteran who served in the PA Army National Guard. I spent the last 25 years as a Trooper in the PA State Police, retiring in March of 2024. I am married and have two daughters who attend ELCO. I enjoy hunting, fishing and being outdoors. I look forward to interacting with the students and having a safe school year.

► Lisa Pison, Instructional Coach

Lisa has 23 years of instructional experience in the classroom, beginning at York County School of Technology as the Programming and Interactive Media teacher and then transitioning to the Reading Muhlenberg Career and Technology Center as the IT-Web Design teacher. During her time at these schools, she was a SkillsUSA advisor, Wellness Team member, and National Technical Honor Society Advisor.

Lisa holds a BS from York College of PA in Information Technology and most recently a M.Ed. from LaSalle University in Philadelphia, where her focus was instructional design and differentiated instruction.

Lisa resides in Ephrata with her cat, Meatball, and is a proud supporter of our trades, as she has a son, Tyler, who is gainfully employed as an electrician with the IBEW. She is an avid pickleball and tennis player. You can find her on the court when she's not working. She also enjoys running, working out, hiking and most importantly, the beach and the mountains!
